Comenius Project. Visit from the Italian school in January!

Mr Cacciato, Mr O'Keeffe and Ms Hopkins, as well as all third year students of Italian in Coláiste Bríde are delighted to

announce that 31 Italian students and three of their teachers will come to Dublin and visit our school from Friday, January 9<sup>th</sup> to Sunday, January 18<sup>th</sup>.

Throughout the ten days, the students will be kept very busy with activities, both in school (with workshops and regular classes) and outside with trips to museums and different sites in Dublin.

The Italian students and teachers will stay in a hotel for the ten-day period, but we kindly encourage our families to invite the students (with permission from their teachers) over to their homes on an informal basis, to show our hospitality and way of life.

We also kindly ask all parents to contribute to the success of the exchange, with ideas, offering help and supervision during local events and in any other possible way.

The schedule of events will be made available very soon to all students and parents directly involved.

We are really looking forward to receiving the visit of our twin school and hope that the experience will be as positive and fun as our trip to Italy last year!
